

Remarks

The claims have been amended as shown to correct the antecedent basis of some of the terms in dependent claims in compliance with accepted U.S. patent practice. No new matter has been presented. Additionally, when initially filed, Claim #21 was inadvertently numbered as Claim "20" instead of "21". We have corrected the claim numbering, thus there are now 26 total Claims. All claims are supported by the specification and the claims as originally filed.

It is respectfully submitted that all pending claims are in condition for allowance, and Applicant's respectfully request that allowance be granted at the earliest date possible. Should the Examiner have any questions or comments regarding Applicant's amendments or response, the Examiner is asked to contact Applicant's undersigned representative at (215) 575-7034.

If there are any fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0979.

Respectfully submitted,
